Amanda Grey and Karen Meijer will be presenting at the [OEN Tea Time](#)

### BCOEL OE Week event - Science Education for a Just and Sustainable World

Monday March 2, 12pm-1pm | [More info HERE](#)

Join BCcampus, the BC Open Education Librarians, University Canada West, and Langara College for a celebration of both of these events with keynote speaker Dr. Karen Cangialosi.

### Workshop - ZTC Quest Finding Quality OER for Your Students

Monday March 2, 1pm-3pm | [Register HERE](#)

Your mission, should you choose to accept it: find high-quality open educational resources to replace expensive textbooks and transform your course into a Zero Textbook Cost (ZTC) experience for your students

### Workshop - From Annual to Perennial: Renewable Assignment Design

Tuesday March 3, 10am-12pm | [Register Here](#)

Learn to transform "annual" assignments—those completed once for a grade and then forgotten—into "perennial" assignments that create lasting impact for students, future learners, and your community.

### Workshop - Foundations First: Designing OER Textbooks for Student Success

Thursday March 5, 1pm-3pm | [Register Here](#)

In this hands-on workshop, you'll learn the essential principles of effective textbook design that put student learning at the center.

### ZTC Cheers and Peers - KPU Surrey

Friday March 6, 11:30am-1:30pm – [Register Here](#)

This is a chance to connect with colleagues, enjoy some good food, and see what we've accomplished together

### Presentation - Building Trust Through AI Transparency in OERs (the AI Disclosure Framework for OER Creation)

Wednesday March 11, 11am-1pm | [Register Here](#)

Amanda Grey and Karen Meijer will be presenting at the Open Education Talks
